

create distraction free homework zones

Find a Dedicated Location

- Spaced out for each child
- Well lit
- Within earshot of a parent or caregiver
- Comfortable Chair

Use Time Management Tools

- White Board
 - For To-Do Lists and Last-minute notes.
- Timer
 - To set focus times, scheduled breaks and structured study blocks.

Paper Organization:

- 3 Bins to Separate Papers
 1. To Do
 2. For Review
 - Once it is checked over, the paper should go immediately into the appropriate folder to be brought to school.
 3. To Save
 - Important tests, projects, artwork.

Have a Supply Cart or Caddy

- To assure all tools are organized and easily accessible.

Personalized Elements

- Have each child make a homemade name plate.
- Incorporate each child's favorite color into their surroundings or storage.
- Put up a board of fun images, photos and inspiring sayings.
